

CPR DAVE *State-of-the-Art CPR Training*

Directions to Danbury Training Center

Danbury Training Center
39 Mill Plain Road
Patriot Square
Danbury, CT 06811
(845)224.6355

From the WEST

- Take I-84 East to Exit #2 - Mill Plain Road / Old Ridgebury Road
- Bear left as you come off the exit towards Ridgebury Road
- At traffic light, turn LEFT onto Old Ridgebury Road and proceed 0.6 miles
- At second traffic light, turn RIGHT onto US-6 / 202 / Mill Plain Road (Shopping Center directly in front of you)
- Proceed 1.3 miles
- Patriot Square (white building) will be on the left, opposite Noah's Ark Animal Hospital
- Park towards rear of lot and enter door labeled Unit #3
- Proceed upstairs to training room

From the EAST

- Take I-84 West to Exit #4 - Lake Avenue
- Turn RIGHT onto Mill Plain Road
- Proceed approximately 1 mile
- Patriot Square (white building) will be on the right, opposite Noah's Ark Animal Hospital
- Park towards rear of lot and enter door labeled Unit #3
- Proceed upstairs to training room

If you have any questions about directions or need access to the building, please contact the Instructor at **845.224.6355**

Parking:

- Just past the building and before the next light turn LEFT into the Municipal Parking Lot (Chester Avenue Parking Facility)
- Park in the garage structure, as that provides parking for 3 hours or more
- Parking elsewhere only offers 2 hour parking
- Note Space number and pay for parking at Parking Station
- Retain your parking ticket in the event you wish to add more time

Building Access : (If front door is not open)

- There is a key pad located on the right side of the main door entrance
- Punch in the code: 101 (Suite Number) on the key pad
- Wait for the audio tone indicating the main door has been unlocked

Training Center:

- Once you enter the lobby, proceed upstairs and turn RIGHT
- At the next hallway, turn RIGHT and Suite 101 will be the last office on the LEFT

If you have any questions about directions / parking or need building access, please contact the Instructor at **845.224.6355**
